

Interesting Food Ideas

To Match The Halloween Theme For Children

Ghostie Bananas

Give a spooky look to bananas by dipping them in dark chocolate and making scary faces on them.

Finger Rolls

Bake rolls in a bone-chilling shape of fingers and add some almonds to them for a murderous look.

Alien Cookies

Cut the cookie dough into the shape of aliens, ghosts, spiders, kittens, and pumpkins, perfect for a scary treat.

Boo Spaghetti

Cook your child's favorite spaghetti but decorate it with a scary face using sauce and veggies for Halloween fun.

Smiley Bites

Cut apples in the shape of lips and add white marshmallows in between two apple bites for a scary look.

Mummy Sausages

Wrap the sausages around like a 'Mummy' using dough and make some faces at the top to complete the Mummified sausage look.
